CLUB SUBSCRIPTIONS

Pay your subs!

It's that time of year again – and Club Subscriptions are due on 1st April!

Subscriptions are unchanged at £55 for full membership, £40 for full membership for those aged over 65, and £20 for 'country members'. You may recall that an increase to the subs was approved at the AGM, but it has been decided to keep the cost unchanged for a further year. The subscription includes the registration fee paid to England Athletics.

Club rules require members a) to marshal (or provide a deputy) for the Wilmslow Half Marathon, and b) to race in a minimum of 7 competitive events during the membership year.

Andy will also be sending out a reminder e-mail which will list the information that the club holds for you, allowing you to correct any errors.

You can pay in one of two ways:-

[Cheque](#)

Please make cheques payable to 'Wilmslow Running Club', and give them to Dave Read, or to any Committee Member. If you won't be at the club for a while you can post a cheque to:-

Dave Read,
22 Marquis Drive,
Heald Green, SK8 3HS.

[BACS transfer](#)

Account: Wilmslow Running Club, Sort code: 01-03-90, Account No.: 04039246 Reference: Your Name.

Confirmation: **Please tell Dave Read** on training days, or e-mail him on dwaread@ntlworld.com, when you have paid by BACs. It's essential to include your name as reference, and also to let Dave know that you've paid this way, otherwise you'll continue to be chased for payment!

Cross Country AGM Report

This was held on 16 March 2016 at the SportCity Regional Arena, near the Etihad Stadium. I was asked to represent Wilmslow Running Club. The AGM had a good attendance of well over 30 people, with Nick Bishop in the Chair.

Nick opened by thanking the Committee and all the marshals, helpers and unsung heroes who make the Manchester Area Cross Country League such a success. However, there is a strong need for new blood, and volunteers should step forward to help in any way they can. Appropriate training will be provided for the

myriad of jobs done before, after and during the five race days. The League is organised by a Working Group that comprises the Officers (who continue unchanged) and three other people.

The following notes are those I made for the benefit of WRC, and do not record the whole meeting.

Finances: the treasurer's report was presented in detail, showing that the League is in a sound financial position.

Medical: little to report this season. All runners are asked to inform the organisers if they do make use of the medical service provided.

Race scheduling: Next season, the **senior and veteran Ladies race will start 10 minutes earlier, at 1.30 pm.** The Men's race will continue to start at 2.30 pm. An innovation is that 'slower' men will be allowed to compete in the Ladies race, if they wish, but without being eligible for any awards. This can be decided race by race, and applies to men in any age category. Details are to follow. Despite the Ladies race being about a kilometre shorter, I will probably take advantage of this option, so as to ensure more competition than in recent years. The Divisional structure remains in place unchanged.

Fees: These are payable by Clubs and will remain unchanged, except that the fee for re-issuing a number on race day will be £1.

Final Awards ceremony: To avoid undue delay for the ladies, their awards will be made earlier in future.

Dates and venues for 2016/2017: A provisional plan for dates, venues and hosts was agreed, which I will not list here, in case it changes. All dates are for Saturdays, which I and some others queried. Apparently, elite runners and their coaches prefer Saturday, which is traditional for cross-country races, because it allows them to do a long run on the Sunday. The event at Boggart Hole Clough will be scheduled in November, to avoid running in darker conditions in the woods. There should be no clash with the Langley 7 this year, but, unfortunately, the 2017 Four Villages HM will probably be the day after one of the races.

Statistics: These were not discussed in the AGM, but WRC entered 67 runners last season, of whom 24 did not compete in any of the five races. Katy Green and Tom McGaff were the most dedicated, doing all five races. For the whole of the 2015/2016 season, the total numbers of veteran lady competitors were nearly twice those for senior ladies. For men, the excess veterans were more like 45%.

Results for 2015/2016: as already reported, the WRC main achievements were:

Senior Men: 6th, Veteran Men: 2nd, Senior Ladies: 6th, Veteran Ladies 2nd, all competing in their Davison 1 with 9 other teams.

Individual men: Andy Whittingham: 3rd MV45, Rob Downs: 1st MV50, Tom McGaff: 1st MV60.

Individual ladies: Katy Green: 3rd LV40, Janine Ellis: 2nd LV45.

SPRING CLEANING

An enormous amount of 'stuff' has accumulated in the ladies' changing room.

There are all sorts of things ranging from mugs, bottles of wine to old shoes and spare tops. Please help yourself to anything you want before we send the unwanted items to charity.

Injury Update

Andy Dodd.

The knee injury which started at the Nick Beer 10K last year has now cleared up but Andy then developed tendonitis in his foot. Four weeks rest has got him back running twice a week with a hoped for return to racing at Mow Cop.

Gail Hill.

The high mileage training for the London Marathon brought on compartment syndrome in her calf and ultimately a deferment until next year. Gail is back running pain free, building her stamina back up, and she too hopes for a return to racing at Mow Cop

Rob Wilson.

Whilst trying to increase mileage after a knee injury, I developed acute Piriformis Syndrome which seems to have impinged on the Sciatic nerve causing pain and numbness in the left leg and stopped all exercise for the last month. MRI scan booked at beginning of April, but currently embarking of a course of stretching and strengthening exercises. Just restarted some gentle swimming and biking, but running is off the agenda until the numbness in the left foot is resolved.

Spotlight – On Ivan Vukomanovic

Which books are by your bedside?

The Racer by David Millar and Catastrophe by Max Hastings

What is your favourite car?

My trusty battle wagon which is my Passat estate.

What has been the most difficult running injury to get over and how did you do it?

Fortunately nothing serious to date.....

What was your favourite race of last year and why?

Sunderland Strollers Pier to Pier. It was a beautiful day and I enjoy running by the sea with some good friends. The night before I carb loaded on Heineken and Indian food, which did the trick for the race the next day.

If you could run any race in the world, which one and why?

Having spent much time in the Alps, especially based out of Chamonix, the Tour de Mont Blanc is on my bucket list. I have a plan to get there one day and do it, but it is a few years off yet. I have ran a few of the routes and mountain biked extensively on the French side. It would be great to complete it.

Which famous person would you most like to have dinner with and why?

I would like to have had dinner with Winston Churchill. The conversation would be interesting and the booze would be of note. Failing that, Kylie...

What other sports do you enjoy, either spectating or actively?

Running and cycling are my main pursuits. I find the tactics and personalities of road cycle racing fascinating, so enjoy watching it usually on the TV, but occasionally in person.

What is your signature dish?

I do a mean roast beef and trimmings, with plenty of strong horseradish on the side. A shop bought pudding usually follows if I'm cooking the whole meal.

Where would you spend your dream holiday?

Three weeks exploring in New Zealand would be fantastic, although Centre Parks would be more likely.

What music do you listen to?

I've always enjoyed the bands like Reef and the Red Hot Chili Peppers and random bits of French House and the occasional bit of Italian Opera.

CLOUD 9 FELL RACE Sunday 6 March 2016 9.3 miles 1250' ascent 2°C

This was probably the muddiest ever known in this fine race, giving most people slow times, and a massive PW for me. It now takes me over 40 minutes to reach the summit, and then over an hour to get back to the finish. A bit of luck was passing two ladies who were not sure of the way near the end (straight ahead!) and then holding them off to the line. It was good to see several other Club people there: they probably entered before they knew about the Cheadle race on the same day.

CHICKEN RUN FELL RACE Saturday 19 march 2016 16 9.4km 322m ascent 7°C

This is a lovely newish race at Hayfield, which I also entered last year when I had a bad tooth ache, sore back and no motivation. So, I improved by 8 minutes in dry, perfect, conditions, but, unfortunately with the small number of runners, there was no competition this time. My only company was the sweeper and her dog. There are three hill climbs, all runnable, with good views of the Kinder Reservoir: perhaps it is suitable for a future Summer Series? You are allowed to “chicken out” part way round, and do a 6km race instead.

Blast from the Past

Wilmslow Half Marathon 29th March 1998.

With the Waters Wilmslow half marathon this weekend we have gone back to the 1998 race for this month's Blast. That year it was also the English Championships and this was reflected in the quality of the field. The Hudspith brothers (1st and 3rd) were international track athletes. Another international, Steve "Brace the Race" (4th) won the week long Tour of Tameside on several occasions and future Wilmslow winners finished down the field – Nick Jones 6th, Gareth Raven 21st, Karl Harrison 34th and Michelle Ross – Cope 5th in the Ladies.

This was also reflected in the list of Wilmslow runners named in the newspaper article. Tom McGaff's 116th 1 18 58 and Mick Fairs 170th 1 21 24 were not enough to get them in the first ten in the V40 and V45 respectively. Sally Gilliver was 4th LV35 and Rocket Ron Reed 2nd V70. Other runners not in Wilmslow colours at that time were Simon Fenton 629th 1 34 48, Roy Pownall 963rd 1 40 17, John Porteous 1142nd 1 43 21, Jim Pendrill 1269th 1 45 34 and Colin Walton 1577th 1 51 32.

The course was different then from the flatter Mobberley route of today. The start was still in Kings Road but it went into Morley without the Honey Bee detour, still down the dip along Burleyhurst Lane and past Mobberley Golf Club as now but there was no right turn immediately after it but going straight on and over the Bird in Hand junction, past The Frozen Mop and round to Marton picking up the Great Warford 10 route and eventually joining the A34 in Nether Alderley at the bottom of the hill into Alderley Edge village. It then turned left at the girls school, round Brook Lane Corner and finished on Racecourse Road by Lindow Common.

In last month's Chester 10K report, Sharon Johnstone (then Caile) running for Macclesfield Harriers finished 299th in 42 34.

Ian sets a new record

THERE was a sensational finish to Wilmslow Half Marathon on Sunday when maths teacher Ian Hudspith sprinted to the finishing line in the final half mile.

The winner set a new course record of 64 minutes and 32 seconds and claimed the added honour of becoming the AAA's England champion.

Ian, 27, who holds the national 10,000 metres track record ran on ahead of Paul Roden to collect the glory and £500 prize money.

There were a record number of entries in the annual 13 mile road race with 2050 runners finishing the course.

They set off in ideal running conditions after a delayed start when police refused to give the go ahead until cars parked in Styal Road had been cleared.

A spokesman said afterwards 40 parked cars were causing an obstruction of the emergency route to Manchester Airport.

But the upset failed to give runners the jitters and the big race and went ahead with runners in high spirits.

Popular international Heather Heasman triumphed in the women's race and Amanda Wright was runner up.

Martin Ellison led Wilmslow Running Club's team with a fastest time of 75 mins 30 followed in a split second by Bill Heaton who ran home in 76 mins with Mark Wrigley sprinting to the finishing line with 78 mins 30 and Tom McGaff, 79 mins. The team gained eighth place.

In the ladies race Sally Gilliver completed the course in 93 mins 40 with Joanna Bateman

94 min. 57, Jane Mellor, 97 min 45, Pauline Stubbs 108min 53 and Yvonne Brown 118 min 26.

This year there were more youngsters running than ever before and more than 50 pensioners showed grit and determination especially Wilmslow's Ron Reed who made remarkable time at 105min 22.

The race, sponsored by Allsports with Manchester Evening News and Zeneca is now the premiere half marathon and Wilmslow's most prestigious sporting event.

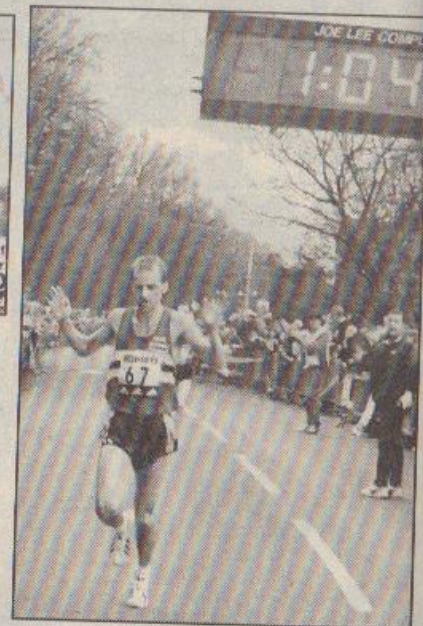

Many of the runners were taking part in the road race for charity and many thousands of pounds will have been raised for Christie Hospital.
